  - Reintroduction of Colorado River Cutthroat Trout
- BLM
  - Welcome Jake Stout
  - Assisting in Escalante non-native fish removal
  - Looking into NEPA for Calf Creek fish barrier and treatment
- Other Partner updates?

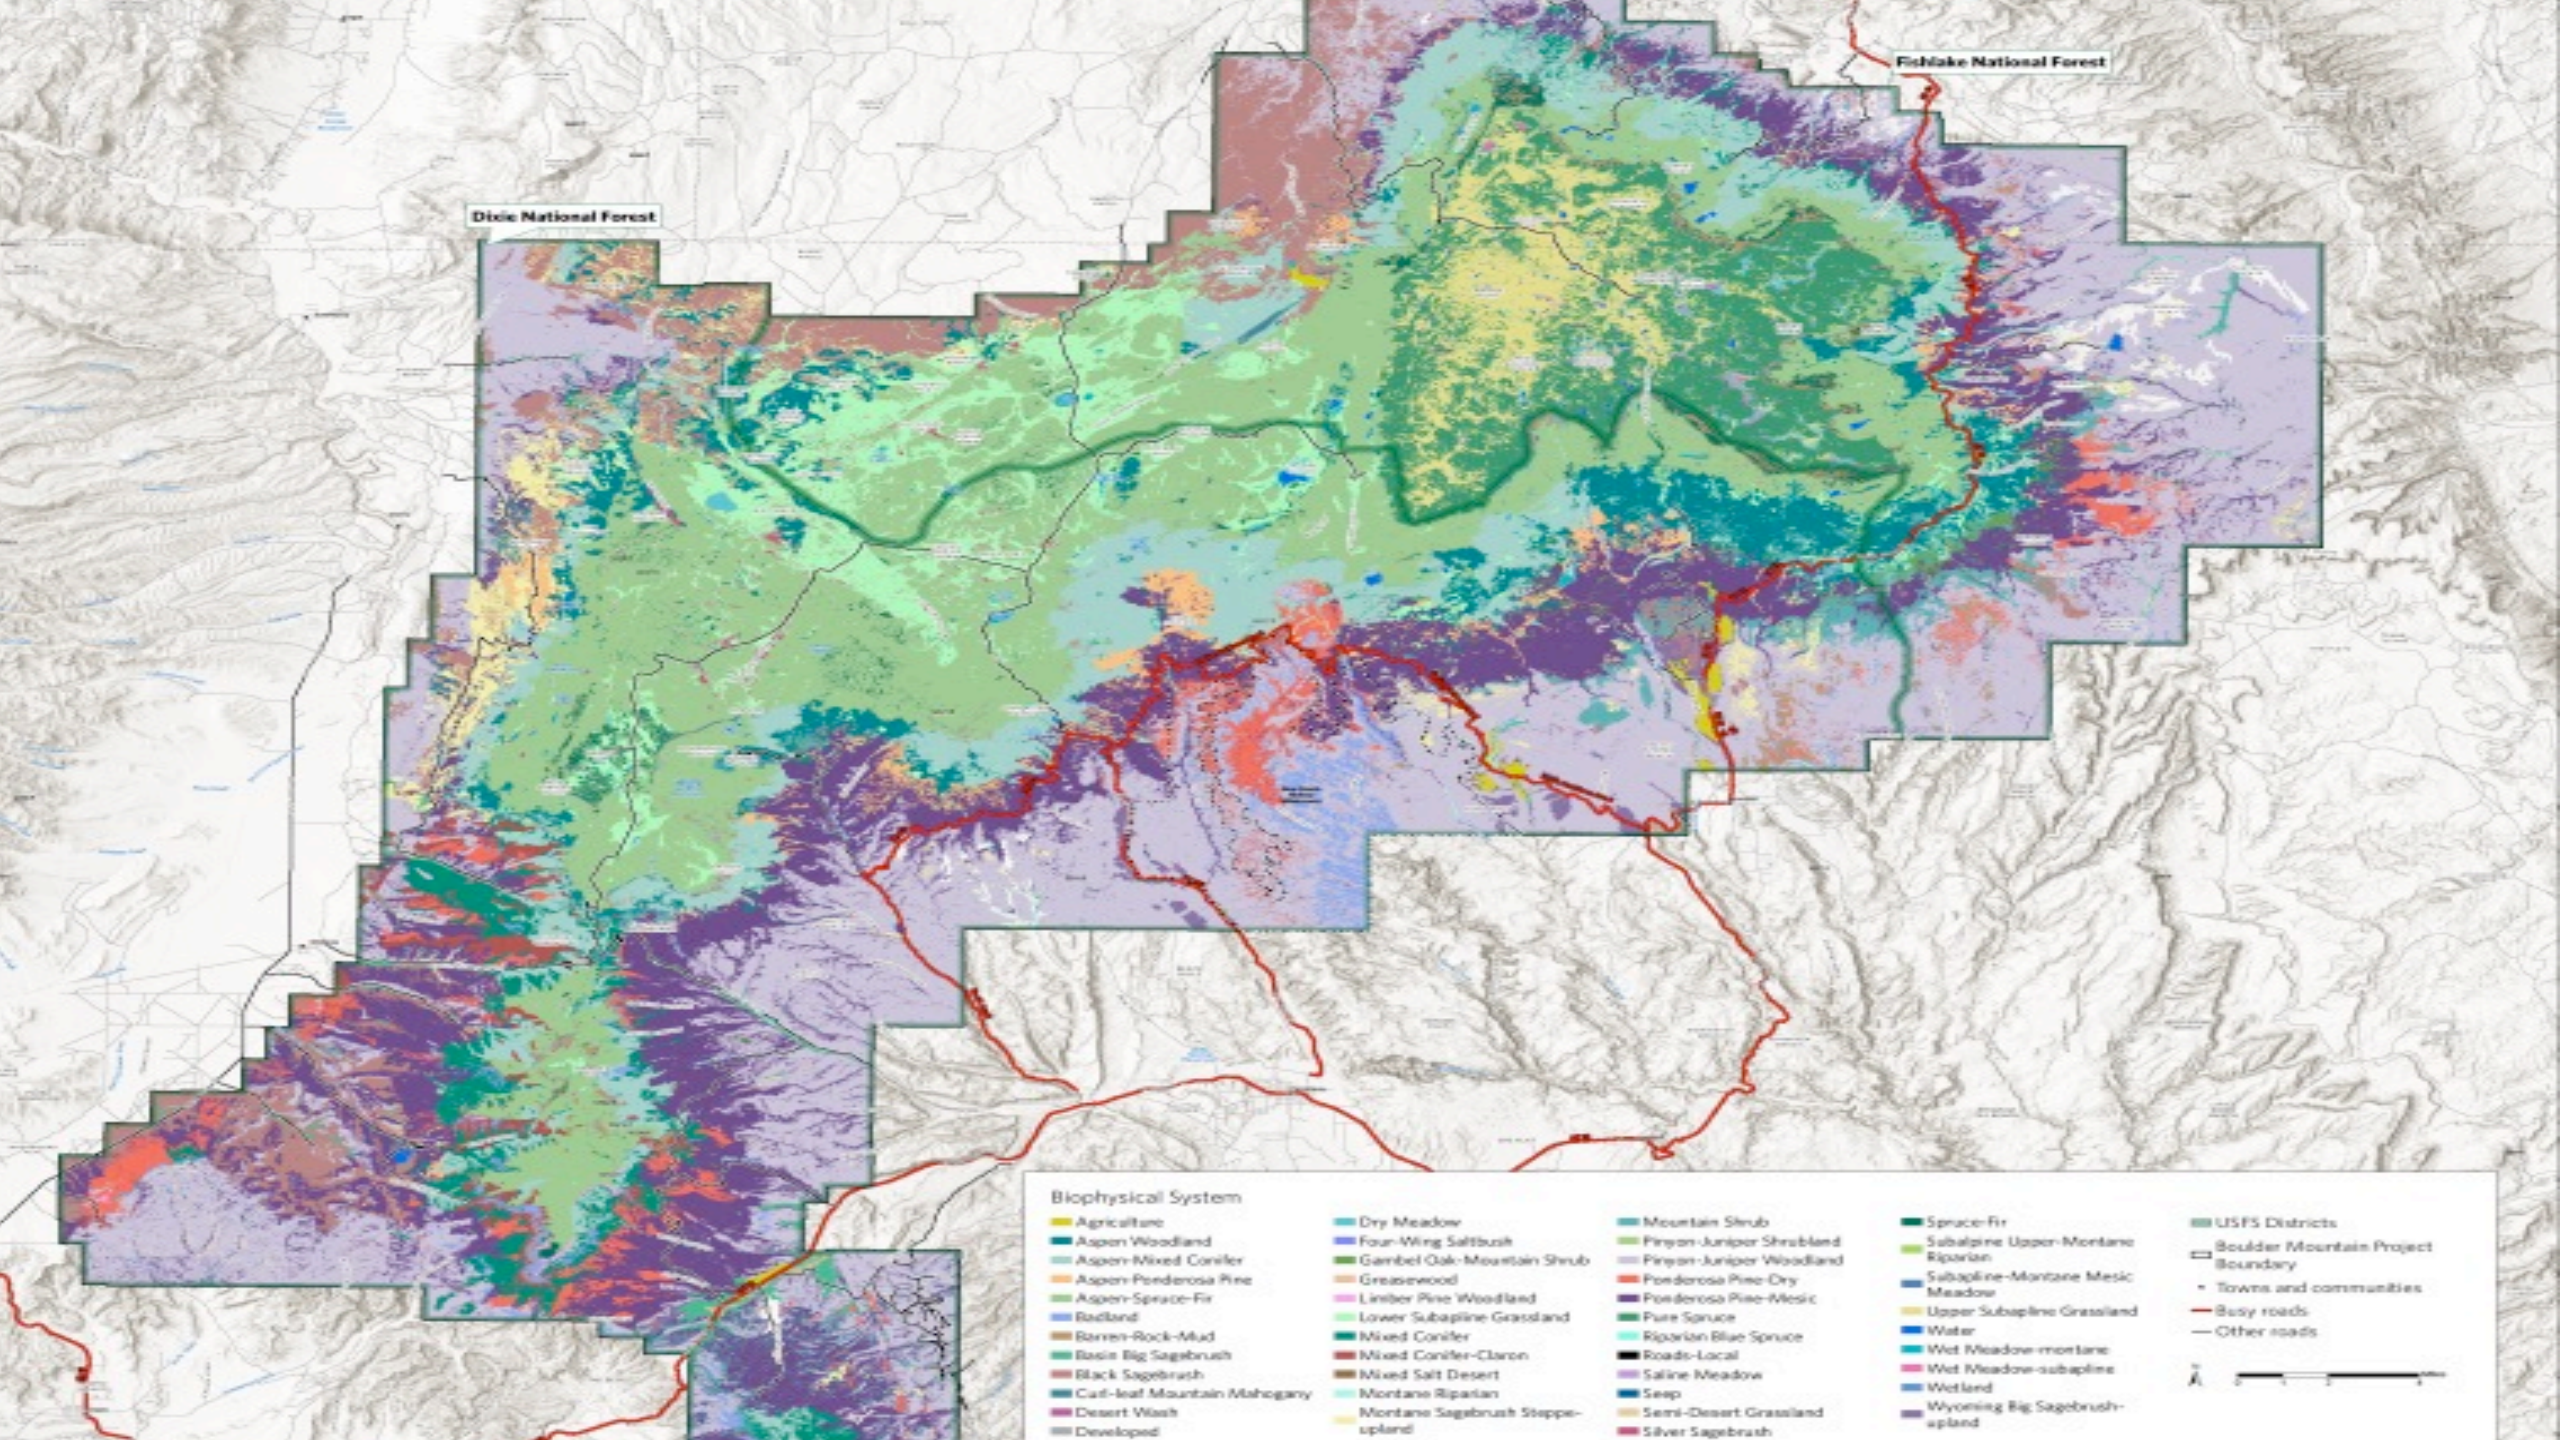

# Uplands Restoration Committee

## 2023 Accomplishments

- Boulder Mountain Landscape Conservation Forecasting Report
- Hungry Creek Vegetation Improvement Project Environmental Assessment
- Upper Valley Timber Stand Improvement Good Neighbor Agreement
- Upper Valley South Timber Sale

# Stewardship Committee

- Spring of 2023: completed several stewardship trips to remediate visitor impacts and build Zuni Bowls
- 31 volunteers, 750 volunteer hours
- Partners: Bureau of Land Management, Wilderness Volunteers, Southern Utah Wilderness Alliance, and private land owners
- We have several more project lined up for the summer and fall
- We are looking for more folks to join the Stewardship Committee
- Please contact me at [Kaitlin@gsenm.org](mailto:Kaitlin@gsenm.org) if you would like to do a volunteer project with ERWP

# Riparian Committee

- Treatment
  - Continuing 2023
- Monitoring
  - Vegetation
  - Aerial imagery/geomorphology
  - Discussion today

# Springs

- Spatial Modeling: predict presence of springs
- Field Application: validate model; large-scale inventory
- To do: volunteers perform validation/inventory 2024

# Climate Change Committee

- Hobbit Spring
  - Repeat monitoring
  - Weather station
  - Fencing
- Upper Sand Creek RNA
  - What are research goals?
  - Working on draft proposal to send to USFS
- Spencer Flat ponderosa pines
  - Pursuing approvals
